Lithomancy is the psychic art of reading stones.

Gary L. Wimmer will discuss psychic ability, Lithomancy (reading stones), and what he learned from the intense and enlightening "near-death" experience (NDE) he had in 1977, an experience that revealed the Unity that underlies all things, and still profoundly inspires him to this day.

About the Instructor

Gary L. Wimmer has been a professional psychic for over 40 years. He offers readings using pure intuition, regular playing cards, and Lithomancy, a fascinating but little-known methodology. He is author of *Lithomancy: The Psychic Art of Reading Stones*, the only comprehensive book on this amazingly revealing methodology. <http://www.amazon.com/Lithomancy-Psychic-Art-Reading-Stones-ebook/dp/B008B9AKIY>

Gary also wrote *A Second in Eternity*, the true story about a "near-death" experience he had in 1977 that revealed the Unity that underlies all things, and still profoundly inspires him to this day. <http://www.amazon.com/gp/product/1475268998>
